In half street across the bridge from the tower, you can descend to a protrusion on the left and from there to the roof. In the next tower, activate the pressure plate on the elevator and bring it to the top. Step down the stairs to the top of the tower where you will find a corpse with a SoulĀe 1x fire keeper. Firelink Shrine Map Speed āSpeed āā As you progress through the game, other NPCs pulsate the sanctuary, after certain conditions have been met. There's a staircase that you can knock off the edge of the roof, near the tree that you can use to climb onto the roof, you can also enter firelinks from this roof at a higher level¹ and cross a narrow rafter to fight an Estus Shard 1x. To fall a few times Ā common. Going forward there are 2 cavities here's a dead body with a 1x ember. If you go along a long rafter you can hit the wall to reveal an illusory wall. You can jump already¹ from one side of the bridge to a short lip to find a corpse and spoil the set of the fire keeper. The easiest way to commit it is to draw it to the edge of a cliff and make sure your back is facing the wall with your shield. Make sure to get the ESTUS SHARD at Top Trans Sections as depicted on the map and get the crystal lizard for updating materials. Go along the left side to find tombs and stairs overlooking a cliff. The Shrine of Handmaid also accepts ash, which unlocks additional items in āasale. At the top of the spiral staircase of this tower, Ā you can cross a stone bridge collapse here. The FireLink Ā sanctuary is large enough, similar to the Nexus in the souls of the demon with stairs up and already¹ where Ā can be explored for articles and more¹ messages e e odnettems o²Ālaf nu ni odnasopir of aera¹ aciracir is odnau otnemaligibba ortseam li e retsam arutamra¹ eredac. Ārecsal ,areilgocs allad edac non ©Āhcnif olraccatta a aunitnOC At the intersection of two stairs, there is a corpse in a tree on the left with the East-West Shield. You buy the Key Tower from the Handmaid for 20,000 souls, which will allow you to access another area where you can find a Soul Fire Keeper. At this level, you can go out through a grated door to escape its trap. Climb to the structure at the top of the hill. A common technique for defeating Sword Master Saber at the beginning of the game is to throw him off the cliff. At the stairs on the right, there will be two cavities and another Ember. Along the way, you will find a Homeward Bone 1x. Control with the PNGs from time to time, defeating Bosses or the discovery of areas plus² trigger extra prizes or new missions. When you are ready to proceed, return to the falĀ² and travel to the Lotrico High Wall. Embed the Sword wrapped in the fire pit in the center of the room, thereby igniting the falĀ². Click here to go to the Speedrun walkthrough. You be able to return to this hub at any time to perform leveling up, updates and more. Video: Use Links Only. Entering the sanctuary of Firelink Entering the sanctuary of Firelink, first you will be 5 large stone thrones, all vacant except one, where Ludleth of Courland is located. Move the stairs behind the thrones and explore to find Leonhard the finger of the Ringhir, who will give you red-eye globes, an invasion voice for multiplayer, so you can progress your demand. By exploring the Sanctuary Climbing the stairs right from the entrance, you can² take a step outside, where you will see A petrified Giant Tree. Everything else is optional. From here you can teleport to other places. The gate of the Ā tower is locked and can² be unlocked with the tower key, which can be purchased for 20000 souls by the shrine's servant. Depending on your progression in The patches can appear here and trap you by closing the grated door to the bridge. Is Teleport to new areas with the bonfire Meeting the Inhabitants The area of the shrine to meet and interact with other NPCs. At ground level, you will find the Handmaid Shrine that sells a variety and Blacksmith Andre performing Upgrade. Continuing to the left will bring you² to Sword Master Saber, an undead man who wields the Uchigatana; it is advisable to get up before trying to fight it. Pay attention to the additional merchants and donors of this to fill the shrine. Pay attention to the rare PNG friend you can recruit and add to the shrine's inhabitants. You must be one of our YouTube Partners and follow the guidelines provided to add your walkthrough video. If you quit the game and reload, the drop of Uchigatana will be available near where Ā fell.Sprint towards the yellow box, then strap right and skip. jump.
